One bedroom downstairs unit

These units are small but neat, all have had a fresh coat of paint over the last few years inside, carpets and bathrooms are clean.

Each unit has lounge room leading into small kitchenette and through to the bedroom and Ensuite bathroom. This particular ground unit has a new kitchen installed just two years ago.

Bathrooms are tiled and have a shower and toilet.

Shared laundry with two washing machines at rear of unit block.
Shared carport at the property also.

You do receive power bills as each unit has a separate power meter but water usage is included in your rent. The gardens are maintained by the property owner so you have an easy care unit to look after!

You will be required to provide references to rent one of these units.

Noise, parties or disruptive behaviour will NOT be tolerated by any tenants at these units as we have a very nice group of people currently living here.
