The Kitchen is impressive with Solid Jarrah bench tops, W/In Pantry, Euromaid Oven and dishwasher. Even a bay window over the sink. This looks out to the excellent Patio area out the back. The passage leads onto the other bedrooms and bathroom. Bed 4 is massive with it's own doorway out to the front verandah. Bed 5 is also large and has a 3 door robe. The main bathroom has a full size bath, separate shower recess and vanity. There is a separate toilet of the passage. The rear laundry is also a large room. This passageway leads the Granny Flat.

This has it's own Kitchen, Oven and hotplates, and the room is a combined lounge room. There are a wall of storage cupboards in the lounge. Then into the bedroom area which also has it's own entrance door.

Further down the drive is the Workshop a 9m x 6m shed with concrete floor and power connected. Water is by 2 x 92,000 litre rainwater tanks - There is a bore in place but has not been used in years. This will need to be revisited by a bore installer to check viability.

Although this is a large home - there is some TLC needing to be done: Carpets thoroughout need to be replaced, floor trimmings and walls need attention and outside a section of the retaining wall needs resecuring as it is leaning over.
