Outside is where it is all at!

A sparkling below ground salt water pool with easy care surrounds and a gazebo, just perfect for these warm summer days!

Near the pool is a Toodyay stone barbeque area with views over the Avon Valley.

The front yard is full of low maintenance plants and artificial turf. In front of the pool area is a Grafted Kalamata Olive grove that is fully reticulated.

The rear yard behind the house has multiple seating areas and low maintenance gardens. There are wrap around verandahs around the house.

Now the sheds! Shed 1 is less than 12 months old and is currently used as a gym and extra lounge area. This would be perfect for your cars, motorbikes or tools. Shed 2 has been set up as a games room and theatre room and is perfect for entertaining. This shed has a wood fire for winter. Between the sheds is a double carport.

Water is supplied from a 20,000 gallon water tank and a bore. The bore is used to water the reticulated gardens and to occasionally top up the pool.

There is a cleared paddock above the house and an extra storage shed and lean-to to the side yard.
