

Tall Gums and abundant wildlife!!!

Stunning bush location with tall gum trees creating a canopy over the vacant block with bitumen road frontage, power and phone at the front boundary and set in a prestigious subdivision with quality homes nearby.

9.91 acres(4.01Ha) of undeveloped and unfenced land ready to select the best advantage spot for your new home, the land slopes down gradually towards the road frontage, areas of grass trees and bush palms growing to either side of the block creating a natural tropical bush environment.

This is certainly a block to consider if you are looking at relocating to Toodyay and are looking for a natural bush block that will provide you with privacy and seclusion and allow you to enjoy this natural environment of Kangaroos, native bushes and plants this property has to offer.
