A grand old home 3 bedrooms + sleepout

This is a lovely 1930s large old brick and tin home featuring big rooms and high ceilings.

You enter into the long hallway and to your right is the lounge with a wall unit air conditioner, to your left is the master bedroom with a split system air conditioner recently installed. Further down the hallway to your left is the second large bedroom and to your right is another room that could be your dining room or family room as there is a door in this room leading you into the kitchen which is compact but very neat and functional with modern cupboards and a new gas oven and stove.

Then you go down a small hallway along the rear of the house to the unique bathroom which has a corner shower and lovely claw foot bath tub.

Further past here is the laundry and separate toilet and the sleepout which is a huge room to the side of the house.

Huge rear yard with laneway access gates and the whole property is fenced with colourbond fencing back and front.

Plus a small garden shed for storage.
