con, new kitchen and bathroom would be nice but you would be able to live here whilst you do the renovations.

This property was recently valued at \$115,000 so is priced well under actual value as the owners are serious sellers as they are over east and not able to do the renovations themselves, so all reasonable offers will be presented.

If you would like to view this property please contact Tiffany or Tony at the office on 9574 2917 to arrange an appointment. Viewings are normally booked for Thursdays as this is the day we visit Merredin.
