### Move in while you finish renovating!!!

In a great location this is one of those old beauties, the brick and tin heritage railway houses, with large jarrah floorboards, high ceilings and this one has the added on newer kitchen at the rear with family room and a newly tiled bathroom.

The front four rooms off the main entrance hallway all have floorboards and the old timber sash windows, all need a fresh coat of paint, polish the floors and some new curtains to bring them back to the beautiful old rooms these houses can provide.

The kitchen extension is to the rear with lots of built in cupboards, lino floors, built in electric oven, gas stove top and rangehood, dishwasher and open plan from the breaky bar into the rear family room where the fireplace is.

Large tiled laundry and the bathroom has rand new tiling around the bath tub and a new vanity installed.

The house is serviced by an evaporative air conditioner plus a split system air conditioner in the lounge room and the fireplace in the back family room and an instant gas hot water system.

Out the back is a large paved back patio area with built in brick BBQ
