

## Looking for that Special Place !

This 11 acres is a very special balance of cleared land and natural bush and features those tall shady trees only found down by the Brook.

The feature of this property is the huge water supply from 2 bores that supply the gardens and shade house. Yes you can grow almost anything here.

The current owners have made this a peaceful paradise of native gardens as the owner is a qualified horticulturalist.

Of course there is a very comfortable 3 bedroom home with a huge study area or sewing room, verandahs on 3 sides and very secluded from the road.

Alongside the home is a huge GP Shed 15m x 6m with concrete floor and power.
