This lovely little cottage has been completely renovated and has shiny polished floorboards and a shaded rear deck.

Although small this cottage is neat and tidy inside, the lounge room has a split system air conditioner, the master bedroom is to the front of the house and the second bedroom is off the kitchen towards the rear of the cottage.

The kitchen includes a pantry cupboard and electric oven and stove.

The bathroom features polished floors, a corner shower and a claw foot bath tub.

The laundry is actually just a laundry cupboard out on the back deck.

The house is serviced by an instant gas hot water system and scheme water.

Plus there is the huge shed / workshop in the rear yard you can use.

Small pets may be considered for applicants with good references.
